KENTUCKY SOCIETY OF CERTIFIED PUBLIC ACCOUNTANTS

To the Commissioners Ohio County Water District Hartford, KY 42347

We have compiled the accompanying balance sheet of Ohio County Water District as of December 31, 2002, and the related statements of revenues and expenses, retained earnings, and cash flows for the year then ended, and the accompanying supplementary information for the year then ended contained in Schedules I, II, III and IV, which are presented only for supplementary analysis purposes, in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants.

A compilation is limited to presenting in the form of financial statements and supplementary schedules information that is the representation of management. We have not audited or reviewed the accompanying financial statements and supplementary schedules, and accordingly, do not express an opinion or any other form of assurance on them.

Management has elected to omit substantially all of the disclosures required by generally accepted accounting principles. If the omitted disclosures were included in the financial statements, they might influence the user's conclusion about the Company's financial position, results of operations and cash flows. Accordingly, the accompanying financial statements are not designed for those who are not informed about such matters.
